CONTRIBUTING TO THE COMMUNITY

- Rotary provides an opportunity to meet and network with a vast international organisation of business and community people, as well as ongoing personal development and access to highly experienced business mentors.
- Volunteering with Rotary is an opportunity to extend yourself and your skills to benefit your community and the wider world.
- Being a Rotary volunteer means you have a desire to help others, locally and internationally.

- Rotary is a non-political, non-religious global network, open to all genders, focused on improving the wellbeing of communities everywhere.
- Rotary has 1.2 million volunteers active in 200 countries. That is a powerful lot of people making an impact worldwide.
- The focus of Rotary is service to the community and fellowship.

Are you wanting to give something back to the community and connect with like-minded volunteers in a social environment focused on fellowship and community service?

ROTARY MAY BE FOR YOU

Rotary is a global organisation focused on helping the community both locally and internationally.

Fellowship and community service are the cornerstones of being a Rotarian. There are no compulsory meetings or activities.

Your local Rotary Club participates in many community activities, donating labour, expertise and money to support community projects.
