

# Orange Sustainable Living Week

29 October to 5 November 2023

## Orange Sustainable Living Expo

Sunday 29 October,  
9.00am - 2.00pm  
Orange Showground

Featuring sustainability exhibits, presentations and workshops. This event is being run in conjunction with the Rotary Community Market For details visit <https://www.rotary-cluboforange.org.au/events/>

Contact: John Mills 0429 323 464

## Pathways to a Better Future

Thursday 2 November,  
5.00pm - 6.30pm  
Orange City Library

**PANEL DISCUSSION**

Explore the benefits of sustainable living by visiting the Future Now exhibition and participating in the panel discussion. The exhibition is jam-packed with exciting ideas for what we can do now to create a more liveable future. Featuring Dr Jenny Newell from the Australian Museum and local sustainability representatives.

**Bookings via** Central West Libraries Eventbrite or by calling the Orange City Library: 02 63938132

## School Sustainable Cooking Competition

Friday 3 November 10.00am

Teams of 3 high school students cook to a budget using locally sourced ingredients from the Agrestic Grocer. The cook takes place at the TAFE Hospitality Section in Orange.

Contact: John Mills 0429 323 464

## Ploughmans Creek Wetlands Walk

Saturday 4 November,  
11.30am - 12.30pm

Be guided through the wetlands ecosystem and see how the wetlands contribute to the city's environment and its storm water harvesting system. Meet at the picnic shelter off Ploughmans Lane at 12pm.

Contact: Neil Jones 0419 224 461

## Off Grid House Tours

Saturday 4 November  
2.00pm to 3.30pm

You will learn about solar power, composting toilets, heat pumps and water retention including tanks and holding ponds.

2 tours, 2pm & 4pm, Saturday Nov 4th.
